BRISTOL MEDICO-CHIRURGICAL SOCIETY

President 1968-1969: Mr. A. L. Eyre-Brook

President-elect: Dr. F. J. W. Lewis

Honorary Secretary: Dr. A. T. M. Roberts, 8 Harley Place, Bristol 8.

Honorary Treasurer: Dr. J. Macrae, Ham Green Hospital, Pill.

The Society was founded in 1874. In 1883 publication of this Journal began, and has continued quarterly since then. During the years 1949 to 1962 it appeared under the title of "The Medical Journal of the South West".

The Society founded a medical library in 1890, which in 1892 was combined with that of the Bristol Medical School. This became the University of Bristol Medical Library in 1925, and an agreement in that year confirmed the privilege of Members to use the University Medical Library.
